

DANIEL JUENGST, LSW/LMSW

Experience

Graduate Student Clinician

01/2026 to 05/2026

Rutgers Center for Adult Autism Services

New Brunswick, NJ

- Deliver evidence-based interventions using Cognitive Behavioral Therapy (CBT) and Solution-Focused Brief Therapy (SFBT) approaches.
- Support clients experiencing anxiety, depression, social challenges, executive functioning difficulties, and life transitions.
- Develop individualized, strengths-based treatment plans tailored to neurodiverse and neurotypical clients.
- Implement skill-building strategies including cognitive restructuring, behavioral activation, coping skills training, and goal-setting interventions.
- Maintain timely and accurate documentation, including intake assessments, treatment plans, and progress notes.
- **Skills applied:** CBT interventions, SFBT techniques, treatment planning and case conceptualization, cognitive restructuring and behavioral activation, executive functioning skill development, client-centered care and rapport building

College Support Program Coordinator

08/2024 to 05/2026

Rutgers Center for Adult Autism Services

New Brunswick, NJ

- Provide one-on-one weekly sessions for Rutgers undergrad students who have a diagnosis of autism.
- Co-facilitate a CBT and executive functioning skills group, providing psychoeducation and reflective psychotherapeutic discussions.
- Connect with mental health services, professors, ODS, parents, etc. per clients' needs.
- Apply concepts from MSW class material, such as CBT, belief bonding, NASW code of ethics, empathetic communication, etc.
- Create documentation, including meeting notes, parent updates, and academic progress notes.
- **Skills applied:** Group facilitation and psychoeducation, neurodiversity-affirming and autism-informed practices, Cognitive Behavioral Therapy (CBT) techniques, executive functioning skills coaching, interdisciplinary collaboration with faculty, disability services, and families, care coordination and resource linkage, academic support and student advocacy

School Counselor Assistant

09/2023 to 12/2023

MOT Charter High School

Middletown, DE

- Provide individual counseling services for students facing mental health, academic, social, and behavioral challenges.
- Conduct assessments to identify students' strengths and areas of concern.
- Participate in Individualized Education Program (IEP) meetings.
- Maintain accurate and confidential records of counseling sessions, assessments, and interventions.
